THIS SUMMER

AND INFLUENCE THE CONDITION OF ALL

UNITED WAY OF GREATER UNION COUNTY PLEDGE FORM

We've partnered with nonprofit organizations to support children who would benefit from a summer camp experience. It may come as no surprise that summer programs can be costly and many of the families we serve cannot afford to send their children to quality summer enrichment programs. Programs that have a long lasting positive effect on a child help build character and confidence, academic support for those that need it and life skills, all building blocks for a healthy and productive life. We ask for your help in supporting vital summer programs that will make a difference in a child's life.
