BUILDING HOPE IN OUR COMMUNITY

On behalf of everyone at the United Way of Greater Union County (UWGUC) and the children and families we serve, thank you for your support.

Each year UWGUC aids more than 6,000 families in our community who desperately need assistance. When you contribute to UWGUC, 91.8% of every dollar goes directly to programs and services making positive impacts in Union County!

This is an exciting time in our organization's 65-year history! Your donation enables the expansion of high-quality, impactful services that ensure Greater Union County residents have access to a range of services and a continuum of care for all stages of life, from prenatal to adulthood.

Our Campaign has a lofty goal of \$1.5MM to renovate a facility which will accommodate our Success Center; a one-stop community-based gathering place managed by UWGUC. We are excited about this strategic move coming in the Summer 2024.

It's not just for a building – it's for BUILDING HOPE.

We invite you to stay involved during this journey. Check out our new location at 219 Central Avenue, Rahway, NJ. It is adjacent to the Union County Performing Arts Center.

Sign up to receive updates in our newsletters (uwguc.org/sign-updates) and follow our progress on LinkedIn, Instagram and Facebook. This Campaign will span over the next two years, and we are committed to transparency throughout.

We look forward to furthering our commitment to the challenges we face in Union County with growing confidence and strength! Please reach out at any time to connect and visit the new facility. We want to show our appreciation and remain in touch with you and all of our loyal donors.

Thank you for Building Hope in Our Community.

Mission

To improve lives and build strong communities by uniting individuals and organizations with the will, passion, expertise and resources needed to solve problems.

Vision

- All children and families achieve their potential through education, income stability and healthy lives
- All children receive a quality education that offers a pathway to a brighter tomorrow
- The cycle of poverty and financial dependence ends and more productive lives begin
- All children and families have access to affordable health services and healthy activities that improve quality of life
- All families' basic needs of food, shelter, health and safety are met

Communities We Serve

Greater Union County encompasses Berkeley Heights, Clark, Cranford, Elizabeth, Fanwood, Garwood, Hillside, Kenilworth, Linden, Mountainside, New Providence, North Plainfield, Plainfield, Rahway, Roselle, Roselle Park, Scotch Plains, Springfield, South Plainfield, Summit, Union, Westfield and Winfield Park New Jersey.

United Way of Greater Union County Programs

UWGUC provides financial support to more than 25 community partners that offer critical services associated with supporting families and children along the continuum of care from birth to adulthood. In addition, UWGUC directly manages several programs that support Union County Residents.

Success Centers: UWGUC's multi-service Family Success Centers provide critical resources and support to families and children around a continuum of care, from birth to adulthood.

Youth Corps: The program is dedicated to improving and developing academic skills so young adults may obtain High School Equivalency Diplomas. Members are also supported to develop and achieve career-related and service-learning goals.

NEMA: The Newark Eligible Metropolitan Area (EMA) ensures a comprehensive system of care for people living with HIV. UWGUC provides administrative support to the NEMA Planning Council Executive Committee and 5 sub-committees to ensure a system of care for all eligible persons living with HIV/AIDS in the NEMA.

WIOA: The Workforce Innovation and Opportunities Act (WIOA) is a federal program administered by UWGUC in Union County as a Youth Employment and Training Consortium. The focus of the program is to increase academic success and occupation learning opportunities while developing long-term strategies for youth in Union County ages 14- 24.

VITA: UWGUC partners with the IRS to offer low- and moderate-income families and individuals free tax preparation services through the Volunteer Income Tax Assistance (VITA) program.

Happy Mother's Day

The song "I'll Always Love My Mama" by the Intruders is a touching tribute to the immeasurable love, sacrifices and life lessons provided by a mother. The song conveys the importance of cherishing and appreciating this unique relationship while acknowledging the enduring impact it has on one's life.

I'll always love my mama
She's my favorite girl
I'll always love my mama
She brought me in this world

Sometimes I feel so bad
When I think of all the things I used
to do
How Mama used to clean
Somebody else's house
Just to buy me a new pair of shoes

I never understood
How Mama made it through the
week
When she never ever got a good
night's sleep

Talking 'bout mama
She's one of a kind
Talking 'bout mama
You've got your yours
And I've got mine

Talking 'bout mama
Oh, hey, mama
Hey, mama
My heart belongs to you
I'll always love my mama

I'll always love my mama
She's my favorite girl
You only get one
You only get one, yeah
I'll always love my mama
She brought me in this world

A mother's love is so special
It's something that can't you can't
describe
It's the kind of love that stays with
you
Until the day you die

She taught me little things
Like say hello and thank you, please
While scrubbing those floors
On her bended knees

Talking 'bout mama
She's one of a kind
Talking 'bout mama
You've got your yours
And I've got mine

Talking 'bout mama
Oh, hey, mama
Hey, mama
My heart belongs to you

I'll always love my mama. She's my favorite girl.
I'll always love my mama. She brought me in this world.
I'll always love my mama, I'll always love my mama,
I'll always love my mama, I'll always love my mama...
